

# Shoaib Sharif

Computer Engineer

## Profile

The Computer Engineer graduate who likes to challenge to explore, analyze, and manipulate things to learn and grow. I am a highly competent IT professional with a proven track record in designing websites, networking and managing databases. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion in my life is using my technical know-how to benefit other people and organizations.
