Karachi, 74700  
0321-2061386  
mufreahaqeel@gmail.com

### Education

Karachi Institute of Economics  
and Technology (KIET)  
Bachelors of Science in  
Computer Science (BSCS)  
2019-2023

### Key Skills

Methods of Quality Assurance  
Manual Testing  
API Testing  
Database Testing  
Problem Solving  
Team Management  
SQL Management system

### Objective

A responsible and dedicated final year student in my last semester, and eager to step into the professional world. By being familiar with Software development and testing cycle I have a keen knowledge for the position of internship.

### Projects

*Final Year Project*  
Semi-Automated LMS • Postman and SQL testing tools • based on C# and react native

*Networking Project*  
One-On-One Network • Manual Testing • Purely based upon python.

As an undergraduate I have tested many project throughout my bachelor program with these two being my most important ones.

### Testing

- Postman
- My SQL
- Selenium
- Manual testing
- Testing automation
