Seeking a position in Software Quality Assurance where I can leverage my skills, while expanding my knowledge of new technologies and fostering professional growth. I thrive in dynamic environments that offer continuous learning and innovation. I am dedicated to working closely with cross-functional teams to identify, report, and resolve issues. I am eager to make a significant impact in the field of Software Quality Assurance.

EDUCATION

Bachelors of Science (Computer Science)
Mohammad Ali Jinnah University

09/2020 - Present   *CGPA: 3.46*

Intermediate (Computer Science)
Tabanis College

08/2018 - 06/2020

PERSONAL PROJECTS

WEBSITE TESTING USING SELENIUM C# (Adactin Hotel)
- Developed an automation project utilizing Selenium with C# to automate the complete website of Adactin Hotel. Designed and implemented a robust framework following the Page Object Model (POM) and Data Drievn rapproach. Leveraged parallelization techniques to enhance test execution efficiency.

WEBSITE TESTING USING SELENIUM C# (Swag Labs)
- Developed an automation project utilizing Selenium with C# to automate the complete website of Swag Labs. Designed and implemented a robust framework following the Page Object Model (POM) and Data Drievn rapproach. Leveraged parallelization techniques to enhance test execution efficiency.

FLIGHT BOOKING SYSTEM - WINDOWS FORM USING .NET
- Developed a Flight Booking System using Windows Form.NET and SQL Server for efficient database management. Users can book domestic and international flights with customizable options for travel dates and ticket quantities. Data integrity and performance are optimized through efficient SQL queries, indexing, and caching.

SKILLS

JIRA   Test Case Writing   SQL   C#

Selenium WebDriver   Regression Testing

White/Black box Testing

ACHIEVEMENTS

President's List of Honor - Fourth Semester
Got 3.75 GPA in Spring 2022

Dean's List of Honor - Fifth Semester
Got 3.65 GPA in Fall 2022

CERTIFICATES

QA Fundamentals
10Pearls University

Automation with Selenium WebDriver & TestNg
10Pearls University

Software Testing Tutorial
Great Learining

LANGUAGES

Urdu
Native or Bilingual Proficiency

English
Professional Working Proficiency

INTERESTS
