Hello, this is Ammad Baloch I'm 22 years old and I've completed my diploma from Hassni Technical. I'm a professional graphic designer for more than 3 years at 4 different organizations, I am a hardworking individual with multiple talents like graphic design. I am quite passionate about my work. I am also task-oriented and love to perform and complete my duties. Besides this, I keep up-to-date with new technological updates and new software related to graphic design. This was a brief introduction about me, thank you!
